

Jonathan Leeming

Dear Parents and Carers,

I am delighted to have been appointed as your new Head Teacher and am really looking forward to starting in September.

I have been a teacher for 24 years and have spent most of this time working in leadership roles in 6 very different schools. Most recently, I have been working at Poulton St. Chads CE Primary as Deputy Head and was Acting Head Teacher for a year during the Covid pandemic. Since completing my MA in Primary Mathematics Teaching several years ago, I have been involved in leading training for Maths teachers and I currently have a number of roles at the local Maths Hub.

My passion is to see children inspired by their learning and possessing the self-belief that, with hard work, they can achieve. I believe that school is a key lever in achieving this goal but, as a parent myself, I am aware of the crucial role of the home. I am looking forward to working in partnership with you as we strive to provide the very best for your children.

I will be visiting the school as much as possible in the next few months and will be working closely with Mrs. Tyrer during this period. I look forward to meeting you in person.

Kind regards,

Jonathan Leeming
