

MESSAGE FROM MRS TYRER

I want to start today by saying a huge thank you to everyone who comes into school each day following our school rules and demonstrating our Christian values. However, since returning after half term however, we have had a small minority of pupils who seem to have forgotten our school expectations and how we want our children to treat each other. Some disrespect and unkindness seems to be creeping in and these behaviours are not acceptable. I am aware that there have been a number of behaviour letters sent out this week and this is not how we want the term to continue. I would be grateful if you could talk with your children about what you expect from them too. As always, if you have any concerns please come and speak to me and we can work together to support your children. I really appreciate your support with this, so thank you!

On a more positive note, today was Flowery Friday - what a lovely idea! We have so many donations of plants, seeds, wellies and compost. The children have spent the day out in the sunshine planting around the school grounds. It is already looking really cheerful and colourful. Thank you for all of your really kind donations and to

Mrs Barnes for arranging the day.

Have a lovely weekend, God Bless
