Greenacre Street, Clitheroe, Lancashire, BB7 1ED

Dear Parents,

Welcome to Sycamore

At the start of this new school year, I thought it would be helpful to let you know the topics for this coming year (please see attached sheet), along with other relevant items.

As you can see our Science topic during the first half term is Forces and our topic is The Alps.

Any information your child may find on the topics could be brought into school, if they wish to do so.

PE Days for Sycamore:

Monday and Wednesday. The topics will be Invasion Games and Dance. We will be outdoors for at least one of the PE lessons.

Homework:

Spellings are given on a Monday night. This could be an activity or vocabulary to be learned.

There are Maths KIRFs that the children will be focusing on (please see attached letter). At other times, there will be a Maths or English activity to complete to consolidate learning.

Children will be encouraged to read each night and reading records are to be signed by an adult as to what has been read each week.

We do value your help and support with these important areas of the curriculum.

May I also take this opportunity to remind you that the children are encouraged to bring water to school each day and a healthy snack to eat during their break. In addition to this, they may wish to bring in a pencil case to keep all their equipment given to them in class.

Unless you have any immediate queries or concerns, I look forward to seeing you at Parents' Evening in October.

Yours Sincerely

Mrs E Earnshaw (Class Teacher) and Mrs Ashworth (Teaching Assistant)
