

Key Instant Recall Facts

Year 2 – Spring 2

I know the multiplication and division facts for the 2 times table.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

$0 \times 2 = 0$	$0 \div 2 = 0$	<u>Key vocabulary</u>
$1 \times 2 = 2$	$2 \div 2 = 1$	What is 3 times 2?
$2 \times 2 = 4$	$4 \div 2 = 2$	What is 2 multiplied by 2?
$3 \times 2 = 6$	$6 \div 2 = 3$	What is 4 groups of 2?
$4 \times 2 = 8$	$8 \div 2 = 4$	What is 18 divided by 2?
$5 \times 2 = 10$	$10 \div 2 = 5$	What is 20 shared between 2?
$6 \times 2 = 12$	$12 \div 2 = 6$	What is 12 divided into groups of 2?
$7 \times 2 = 14$	$14 \div 2 = 7$	
$8 \times 2 = 16$	$16 \div 2 = 8$	
$9 \times 2 = 18$	$18 \div 2 = 9$	
$10 \times 2 = 20$	$20 \div 2 = 10$	
$11 \times 2 = 22$	$22 \div 2 = 11$	
$12 \times 2 = 24$	$24 \div 2 = 12$	

They should be able to answer these questions in any order, including missing number questions

eg $10 \times ? = 20$; $? \times 2 = 12$ or $? \div 2 = 6$

Top Tips

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once; perhaps you could have a fact of the day.

Songs and Chants - Use Times Tables CDs or find multiplication songs and chants online eg.

[Two Times Table Song](#) | [Numberblocks](#) | [CBeebies \(youtube.com\)](#)

If your child creates their own song, this can make the times tables even more memorable.

Test the Parent - Your child can make up their own tricky division questions for you e.g. *What is 18 divided by 2?* They need to be able to multiply to create these questions.

Apply these facts to real life situations - How many hands are in your house? Use packs of food, clothing etc that come in twos eg pairs of socks or shoes and create multiplication & division questions. What other multiplication and division questions can your child make up?
