MR LEEMING'S MESSAGE

Our half term has got off to a flying start with wonderful learning going on across school. Highlights of the week included our Year 3 and 4 school trips to the Museum of Science and Industry in Manchester. Pupils really enjoyed the interactive exhibits which helped them to review what they have been learning in science lessons at school (see photos below). The highlight was the **Operation Ouch** "Food, Poo and You" exhibition! As always, I was really proud of the good behaviour of our pupils.

Summer term 2 is always packed full of exciting events for our pupils. Please keep your eyes on the school calendar. Have a great weekend!

Collective Worship

Our BIG question this week was "Why is it important to tell the truth?"

We looked at the bible story of Jacob lying to his Dad and the breakdown in his relationships with his family members after this. We learned that it is important to tell the truth because:

- ◆ People know when we lie to them.
- ◆ People stop trusting us if we lie to them.
- ◆ We hurt others when we lie to them.
